

Dear PCO Alliance Network Members and Industry Partners,

As we gear up for the busy season, I want to extend my heartfelt wishes for success to each of you. Your dedication and expertise drive our industry forward, and I'm confident that together, we'll tackle the challenges and opportunities this season brings.

We recently hosted our second annual **Spring Fling**. This year was themed **25 Shades of Pink** - honouring Members present and past that have been challenged with Breast Cancer. Their courage and fighting spirit is an inspiration to all of us!

## 25 Shades of Pink Spring Fling

Building strong partnerships starts with trust and ethics. At our #pcoalliancenenetwork 25 Shades of Pink Spring Fling, we brought together South Africa's event industry pros to forge connections rooted in integrity and collaboration.

This unique networking experience brought together trusted venues, suppliers, and service providers to connect with industry professionals.

It's all about building relationships, creating opportunities, and raising the standard of events, incentives, and conferences in South Africa.

### Sponsors

A huge thank you to our Spring Fling sponsors for making the magic possible!

Presenting Sponsors: Kievits Kroon (sparklling wine), Capital Hotel Group (water & soft drinks), Elegant Experience (MC, Singer & Talk), plus the amazing team from Barmotion serving up special coffees! And of course, our partners at Inspire and Unlimited Events.

Your support ensures that the 25 Shades of Pink Spring Fling continues to set the standard for professional, ethical, and unforgettable industry networking.
